In figuring up the cost of the war, money alone should not be reckoned with. There were approximately 10,000,000 lives sacrificed.

As soon as the terms of the armistice are carried out, the claws of German militarism will have been drawn in such thorough manner as to prevent a renewal of the fighting by Germany unless it should be, perhaps, on a small scale in scattered localities where there is recalcitration. The terms are so drastic as to destroy the power of Germany to do further harm against the allies and neutral countries.

Barre put on a victory celebration which was notable because of its spontaneity and its size. Beginning with the first taps of the fire alarm system in the early hours of Monday morning,

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

County fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night. Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream to your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.—Adv.

Barre began celebrating with real enthusiasm and Barre kept it up till the small hours of this morning, making one of the most remarkable celebrations ever held in this city. There was clear satisfaction and joy written on the faces of everyone—joy that the hostilities were at an end, joy that the United States and our valiant allies had come out victors, joy that right had finally triumphed over might. No Fourth of July celebration in decades has approached it for real enthusiasm and real significance; probably nothing like it has occurred since the news of the surrender of Gen. Robert E. Lee in the Civil war was received.

"CAN I BE CURED?"

How often have you heard that and cry from the victims of disease. Perhaps the disorder has gone too far for help, but oftener it is just in its first stages and the pains and aches are only nature's first cries for help. Do not despair. Find out the cause and give nature all the help you can, and she will repay you with health. Look after the kidneys. The kidneys are the most overworked organs of the human body, and when they fail in their work of filtering and throwing off the poison that constantly accumulates in the system, everything goes wrong. GOLD MEDAL Hantam Oil Capsules will give almost immediate relief from kidney and bladder troubles and their kindred ailments. They will free your body from pain in short order. But be sure to get GOLD MEDAL. Look for the name on every box. In three sizes, sealed packages. Money refunded if they do not help you.—Adv.

Speeding Up Buying

The hands on the Christmas-buying clock have been set ahead so as to distribute equally the extra burdens placed upon all of us this year in doing a little more than our share of work in order to help our government.

Holiday stocks are complete, assortments are at their best, and you can never choose so advantageously as now. Also bear in mind that if you expect to send a Christmas present to the boy "over there" you must mail it not later than Nov. 20. These suggestions will help you to decide what to send.

We've plenty of practical holiday gifts.

What's your father?
